"ONE BIG UNION" ISSUE PROPOSED AT BIG CONCLAVE

Two Resolutions Provide For United Action By All Crafts

MOVEMENT STARTED TO OUST GOMPERS

Friends Of Mine Workers Leader Are Sounding Sentiment

Denver, June 16.—Proposal of a one big union in the American Federation of Labor has been made for the first time in the federation's history.

Two resolutions introduced today provide for united action by all crafts affiliated with the federation, which would enable the body to operate in defense as one big union on matters vital to organized labor in general.

One resolution would empower the executive council with the authority to declare a general strike to combat nation-wide movements to reduce wages and union standards.

The other introduced by delegates from the West Virginia State Federation of Labor declaring that "organized labor having reached the point in its history of advancement where there must be a unit of understanding and action one craft with another, or be destroyed by the enemies of our cause," provides that in their contracts all crafts shall insert a clause which will enable each to come to the aid of the other.

Movement to Oust Gompers

The movement to oust Samuel Gompers, for 39 years head of the federation, has come to life with a bang. The campaign to elect John L. Lewis, head of the United Mine Workers of America, the largest union in the federation is now in the open.

Lewis' supporters are actively at work in his behalf, making known that he is a receptive candidate, and sounding sentiment. They declare their activities and Lewis' silence have filled Gompers with apprehension They predict a caucus of the Lewis forces and the railroad unions, the drawing up of a program for a complete re-organization of the executive council and the uniting of all factions of the opposition to Gompers in a solid phalanx.

Gompers also has men out "feeling" sentiment. These, predicting collapse of the Lewis boom, point to the split in Lewis' own delegation. Frank Farrington, miners' leader of Springfield, Ill.; Robert Harlan, who ran against Lewis in the miners' last election, and Alex Howat, the "fighting miner of Kansas," have been openly hostile to Lewis. Two other members of the delegation are classed as doubtful.

COUNTY SCHOOL BOARD WILL BE ELECTED NEXT FALL UNDER NEW LAW

The new school law passed by the legislature goes into effect August 17, when the referendum period expires. It makes the county board of education elective instead of appointive and does away with the present district supervisors, substituting assistants to the county superintendent, who are appointed as needed in the county instead of being assigned one to a district.

The county board heretofore was appointed by the president of the various school boards in the county general district, but now the five members will be chosen at the election in November. Their names go on the ticket by petition and not by nomination at the primaries, so as to keep the school election out of politics.

This law does not apply to villages and cities that have separate supervision.

The new law gives the county superintendent, who is chosen by the new county board, power to direct his assistants, while, under the old law he had very little control over the district superintendents if they wanted to act independent of his advice or direction.

It is said that the present members of the county board will be candidates for election this fall.

AUDITOR TO PURCHASE FIRE PUMPER MOTOR

An ordinance authorizing City Auditor John S. McNutt to borrow $3,000 for the purchase of a new motor for the Robinson fire pumper at the city hall was passed Wednesday night at the adjourned meeting of city council.

This action was taken upon recommendation of Safety Director C. W. Zimmerman who appeared before council with facts which indicated the engine to be almost unserviceable and in case of added pressure during a fire would be practically useless.

Youngsters Of Canal Zone Will Give Swimming Exhibitions

Twenty-five children from the Panama Canal Zone are in New York to take part in the opening of the world's largest indoor swimming pool at Madison Square Garden. The youngsters, familiarly known as the Red, White and Blue troupe, range in ages from seven to twelve years. All are expert swimmers and divers. The photo shows the Bernardi sisters, members of the troupe. They are, left to right: Helen, Vivian, and Margaret. Their father is a member of Uncle Sam's forces in the Canal Zone.

MAN WHO SHOT FOUR POLICEMEN ESCAPES AS HOUSE IS FIRED

Frankfort, Ky., June 16. — John Fallis, who shot four policemen and two bystanders during a siege of his home last night, was not in the house this morning when it was burned after a violent battle to get Fallis. He is thought to have escaped during the night.

When flames broke out this morning the place was rushed, as it was thought Fallis was within. He was not found.

Armed men had surrounded the house during the night pouring shots into it. The trouble began when police Wednesday night arrested Carlos Fallis, 18-year-old son of John Fallis, a grocer, Spanish war veteran and known as a hot tempered individual.

Fallis met the police on the way to jail with his son and demanded his release. When it was refused, he opened fire.

Policeman Gus Wainscott was shot through the liver and the arm. Policeman Wilhelm was wounded in the shoulder. Fallis and son rushed to their house. Policeman C. E. Noonan went there and was warned not to enter. When he did, Fallis shot him in the face, chest and arms with a shotgun.

Police and a posse surrounded the house. Carlos Fallis came out to confer with former Mayor Polsgrove, who was urging him to get his father to surrender. While he was talking Fallis was shot through the thigh. The bullet is thought to have been fired by his father. He was taken to the hospital. During the siege of the house Jeff Lynn and John Foster, members of the posse were wounded. Astatewide search for Fallis is on.

Forty Wires Cut In Cabin Creek Battle

Charleston, W. Va., June 16.—All telephone and telegraph wires, including those of commercial companies and lines of the federal government, going through Boomer and Mount Carbon in Fayette county, in the Cabin Creek district, were cut late last night, according to reports received at Gov. E. F. Morgan's office and at the office of the United States engineer at Charleston. It was reported that about 40 wires were cut

Col. Jackson Arnold of the state police said that he had received word of the reported movement of armed men and that he was trying to get into touch with the authorities in the Cabin Creek district.

Late last night virtually all broken lines were reported to have been repaired and communication with the east re-established. The Boomer telephone office said that everything was quiet but reports had been received that about 300 men were camping at Winifred Junction near Cabin Creek.

HOTELS CUT RATES

Chicago, June 16.—Two of Chicago's largest hotels, the Morrison and the Sherman, will make drastic reductions in food and room rate. The Morrison will cut its prices 20 per cent and the Sherman will lower its prices 25 per cent. Harry Moore, manager of the Morrison, said the cut was made to stabilize business and urged other business to take similar action immediately.

250 AT EASTERN STAR CHAPTER INSPECTION

The annual inspection of Salem chapter No. 334, Order of the Eastern Star, Wednesday evening at Masonic temple brought together about 250 members of chapters at Columbiana, Leetonia, Lisbon, Hanoverton, Alliance, Youngstown and Akron.

A banquet was served at 6 o'clock. Flowers lent beauty to the table and to the chapter room. Palms also were used in the decorations.

Mrs. Olga Glasier of Cleveland, grand worthy matron of Ohio, conducted the inspection and complimented the chapter on its work. Mrs. A. D. Thomas of Youngstown, grand conductoress, and Mrs. Slusser of Louisville, grand representative of Iowa, were in the company. A social time followed the inspection.

STATE LEADER SPEAKS AT GROUP INSTITUTE

Thirteen members of the Salem W. C. T. U. attended the group institute at Winona Wednesday. Mrs. J. Frank Smith of Columbus, state superintendent of Bible and public schools department made three addresses.

The Salem union contributed music and an exercise entitled "I Am Alcohol." A picnic dinner was enjoyed. There was a large attendance. The unions interested in this group institute are Salem, Winona, Damascus and Homeworth. These institutes are being held all over the county.

PREPARE FOR CONVENTION

Fifteen men are employed in cleaning up the Emanuel Lutheran church hall on Broadway.

Wednesday and Thursday, June 29 and 30, the Sunday school of this church will be host at the Sunday school convention of the Eastern district of the joint Synod of Ohio.

Requests On File For 127 Miles Of Paved Highways

Lisbon, June 16.—"Good roads are certainly in demand in Columbiana county," commented Commissioner Patrick McNicol. "You may not believe it, but we've got requests for 127 miles of new improved roads on file now, and the surveys for every mile on file. If we had $10,000,000 we could spend it all on roads and then not have enough. Demand for good roads seems to be more active than for some lines of merchandise."

At almost every meeting of the commissioners comes a request for an improved road that is not on the list. And the year is still young.

Police Seek Kaber Slayer In Ohio City

Cleveland, June 16. — Detective Phil Mooney of the Cleveland police department is in an Ohio city seeking the actual stabber of Daniel L. Kaber, wealthy Lakewood publisher, for whose murder four women, including his widow, stepdaughter and mother-in-law, are already indicted.

News of the arrest of this suspect is expected at any hour. The man is said to have left Cleveland immediately following Mrs. Kaber's indictment and it is said at police headquarters that a former pal gave away his hiding place.

The recovery of Kaber's diamond ring and gold watch, missing since the night of the murder, is also expected today.

Mrs. Eva Catherine Kaber, principal in the murder plot, has apparently changed her mind about telling all. She has made no further overtures to the prosecutor and Atorney Francis W. Poulson is going ahead with plans for her defense.

ONE GANG RESPONSIBLE FOR ROBBERIES, BELIEF

Chicago, June 16.—Convinced that there is but one mail bandit gang operating in the middle west and that it has been responsible for looting Uncle Sam's mail of some $5,000,000, federal operatives were ferreting out its channels in the postal holdup period.

Their theory plainly expressed is that Big Tim Murphy, political and labor leader, now reposing in the Joliet jail, constituted the brains of the mail bandits operating from Omaha to Toledo.

John E. Northrup, assistant district federal attorney, after receiving fresh details on the million dollar mail robbery at Toledo, declared that in the arrest of Murphy "we feel that we have stamped out the conspiracy which has cost the government millions of dollars in the last year."

COWBOY INHERITS FORTUNE

Chicago, June 16.—Twelve million dollars today awaits Charles Edgar Spencer Churchill, cowboy from Calgary, Canada, according to word received by the Chicago police.

"Ned" Churchill, as the auto men know him, disappeared Dec. 29, 1919, while enroute to Chicago with 20 cars of cattle and has not been heard from since. He fell heir to the Lure XC Canadian ranch when his father died.

OIL PRICES CUT AGAIN

Pittsburg, June 16.—The Jos. Seep agency here, purchasers for Standard Oil, announce that, effective at 10 o'clock today, the price of crude oil at the wells is cut another 25 cents on the six best grades, the new prices being: Pennsylvania, $2.50; Corning, $1.40; Cabell, $1.31; Somerset heavy, $1.10; Somerset light, $1.30, and Ragland, 75c.

This is the second 25-cent cut this week by the Seep agency.

MEN'S DAY CELEBRATION

Out of town speakers of note have been invited to be present at A. M. E. Zion church next Sunday at the Men's day celebration in the morning and evening. At the 11 a. m service a special sermon will be preached, and at 8 p. m. after a short discourse an interesting special program will be presented.

BRICKLAYERS STRIKE

Cleveland, June 16.—Dissatisfied with an arbitral wage award of $1.04 an hour, union bricklayers here went on strike again this morning, practically tying up all building construction in Cuyahoga county.

Honors Miss Speidel

As a compliment to Miss Estelle Speidel, who is training for a nurse at Mercy hospital, Chicago, Miss Ruth Atchison entertained 12 girl friends Wednesday evening at the Country club. A picnic supper was served and the girls attended the dance at the club. Miss Speidel is spending her vacation with her parents, Mr. and Mrs. Frank Speidel.

FEDERAL PROBE STARTED AFTER GUNS ARE TAKEN

Machine Guns And Other War Material Seized On Freighter

BELIEVE GUNS WERE INTENDED FOR IRISH

Concealed In Sacks That Were Hidden In Boat's Coal Bunkers

New York, June 16.—Between 500 and 600 Thompson machine guns and other war materials which were seized on board the freighter East Side in the belief that they were consigned to the Irish Republican army, were under a joint guard of policemen and federal customs officers in Hoboken today, while the United States authorities made an investigation to try to find out who had purchased the arms, who had shipped them and the identity of the consignee.

The war supplies were taken from the freighter just a short time before she sailed for Norfolk. Her ultimate destination is an Irish port.

The machine guns together with many varieties of magazines a case of ammunition and 175 boxes believed to hold small arms are valued at $150,000. The machine guns are known as "Thompson sub-machine guns" and are the latest thing in death dealing machinery, being capable of firing more than 600 shots a minute.

The search warrant upon which the machine guns were seized had been issued by the Hoboken police. Afterwards, a difference of opinion developed between the Hoboken police and the federal authorities as to the real custodians of the weapons, so it was decided to put a joint guard over them until the matter could be decided at a hearing before Recorder Adolph Charston at Hoboken.

The machine guns had been manufactured by the Colt Patent Firearms Manufacturing company. The East Side is not listed in Lloyd's register of shipping for 1920. She is said to have been built by the United States shipping board and leased to the Cosmopolitan Shipping company.

Federal officers of the port of New York said that "certain arms had been detained, pending an investigation," but refused to say if the authorities had any definite information about arms and ammunition being smuggled from this port to Ireland for use by the Sinn Fein. The machine guns had been concealed in sacks that were hidden in the East Side's coal bunkers.

POTTERIES AT SEBRING INSTALL OIL BURNERS

Sebring, June 16.—Oil as the fuel for the burning of ware is being installed in the kilns of the several potteries in Sebring. At present the Maxim patented burners are being placed in the E. H. Sebring China company plant.

The oil used in burning is of the crude variety. The claim of the inventors is that oil as a fuel is much cheaper, cleaner and will burn a kiln of ware in less time than coal. The potteries of East Liverpool, it is stated, are installing oil burners to take the place of coal.

A test is being made of some of the oil burning devices for heating private homes which is working satisfactorily.

SENATOR MASON DIES

Washington, June 16.—William E. Mason of Chicago, former United States senator from Illinois and at present representative at large from the same state, died at his Congress Hall apartment here at 6 o'clock today after a short illness of heart disease.

Ellsworth Avenue Club

Mrs. Charles Saxon of the Ellsworth road was hostess to members of the Ellsworth Avenue club Wednesday afternoon at her home. An informal social time occupied the hours. Mrs. Curtis Walker will entertain the members in two weeks at her home northwest of Salem.

Lunch On Surf Board Going 30 Miles An Hour

Here is a little trick for deep-sea followers that is not as simple as it looks. Miss Lora Boyd MacTaggert of Seattle, Wash., says it is a very easy one. She thinks nothing of eating a meal while seated on a surf board going at the rate of 30 miles an hour

Board Orders School Repair Work At Once

Improvements to practically all public school buildings will be completed this summer following the annual tour of inspection of schools conducted Wednesday by the board of education.

Starting at 7:30 a. m. Wednesday, McKinley ave. school was first inspected and then others in turn. At McKinley ave. school two defective boilers were found which will have to be replaced.

Interior decorating of Fourth st school and the installation of electric lights at the building will be completed before school opening.

Repairs at other buildings which are always required during vacation months will be started at once.

267 RURAL PUPILS WILL BE GRADUATED

There will be a notable gathering at the Lisbon fair grounds Saturday, when 267 eighth grade graduates from the rural schools meet for commencement. It is the largest class in the history of the county. Teachers, parents and friends are expected to be present in large numbers and the day will be given over to the exercises and a general picnic and outing. All these graduates will be eligible to enter any high school and have their tuition paid by their home districts.

DAVIS URGES OHIOANS TO ATTEND CAMP KNOX

Columbus, June 16.—In a proclamation, Gov. Davis urges that one out of every 100 Ohioans attend the citizen's military training camp at Camp Knox, Ky., July 21 to August 20.

As soon after June 25 as possible, applicants will be informed of the action taken on their applications. In each county there are citizens' committees furnishing application blanks and detailed information concerning the camp.

After his visit there he will go to Honolulu and then return to California. He expects to spend a short time with his parents here before going to Columbus next fall to teach in the sociology department at Ohio State university.

Contests Provide Merriment At Salem Lighting Co. Picnic

Employes of The Salem Lighting company and their friends gathered at their office at 10 a. m. Wednesday and were taken to Westville dam in automobiles to spend the day.

A baseball practice game featured the morning, being preparatory to the big game in the afternoon. A bountiful lunch was served by the women at 1 p. m. All present then gathered for the sports of the day. L. L. Ferree took the grand prize in the baseball game by making 14 home runs. Mr. Pfaff took second prize by striking out nine times in as many times at bat. The other winners were as follows:

Half-mile race—Mr. Burgess winning from Mrs. Ferree by a few inches.

Children's slide race—Won by Miss Reasbeck with ease.

Chewing race—Captured by Mr. Piper, the prize awarded after the company had gone.

Horseshoe pitching—Won by wire-pullers, Messrs. Covert and Grafton.

Boat race—Won by Mrs. Yaeger.

Sleeping race—Won easily by Jack Covert.

Ice cream eating contest—Taken by Mr. Pfaff after much hard work.

Peanut rolling contest, one-fourth mile—Won by Mrs. Burgess, using a baseball bat.

TRAIN PLUNGES THROUGH BRIDGE; 6 REPORTED DEAD

Coaches Partly Submerged In Creek Swollen By Recent Storms

ACCIDENT OCCURS NEAR WYOMING LINE

One Man Dead, Two Injured In Head-on Collision In West Virginia

Omaha, Neb., June 16.—Loss of life in the wreck of eastbound Chicago and Northwestern train No. 606, from Lander Wyo. to Omaha and Chicago, which early today plunged into Cottonwood creek near Crawford, Neb., is not expected to reach more than six.

Early reports of the disaster were found to be exaggerated.

The train consisted of a Pullman sleeper, chair cars, coaches, a smoker and baggage and express cars. As the train was passing over Sottonwood creek, swollen by storms, the structure gave way, six of the coaches, it is reported, falling into the stream and becoming partly submerged.

Early reports said the engine with the baggage and express cars passed safely over the bridge. The Pullman car, the rear one on the train, remained on the rails, but reports said that in this car 12 were hurt.

One of the chair cars is reported to have landed on top of the smoker.

A relief train was sent from Chardon, 30 miles from the wreck scene, which is near the Wyoming border.

One Dead In Wreck

Huntington W. Va., June 16.—Everett Patterson, Barboursville, is dead and two others are slightly injured as the result of a head-on collision of a work train and freight train on the Logan branch of the Chesapeake & Ohio railway, at Stollings, three miles above Logan.

Two heavy freight locomotives were demolished, 16 loaded coal cars derailed and 500 yards of track torn up as the result of the collision.

STREAMS AND LAKES DOTTED WITH POLES; FISHING SEASON OPENS

Thursday was the opening of the fishing season and judging from the number of automobiles that passed through Salem laden with fishing poles every stream in this vicinity where there are fish big enough to catch will be swarmed with fishermen.

Wednesday night a steady stream of machines bearing fishermen who left early to be on hand for the opening of the season passed through Salem for Pine lake between Columbiana and Youngstown.

Members of the Protective Fish and Game association arranged fishing parties and left early for Milton dam and other popular fishing grounds.

MAN HELD TO COURT ON SERIOUS CHARGE

A plea of not guilty was entered by Raffelle Lonigro, Italian, Wednesday afternoon at his hearing before Mayor John W. Post on a charge of attempted rape alleged to have been committed on Rosie, seven-year-old daughter of Mr. and Mrs. Joseph Stralalo, 65 Etna st.

He was bound over to the grand jury under bond of $500 which he was unable to pay. Sheriff Gomer Lewis was notified and he will be taken to Lisbon.

According to testimony given by Mrs. Stratalo the assault was committed Monday afternoon at the home. Lonigro, who is a boarder at the Stratalo home, is alleged to have assaulted the little girl during the absence of her mother.

Tuesday the child notified her mother and upon complaint of the father, Officer Gray arrested Lonigro.

BELMOUNT COUNTY DAYS RECALLED AT OUTING

Fifty people from Salem, Winona, Damascus, Beloit, Sebring, Alliance and Ravenna were interested in the annual reunion of former Belmont county residents Wednesday at the High school grounds, Damascus.

The day was given over to renewing friendships and visiting. A picnic dinner was enjoyed.

Present officers were continued. They rae: President, A. H. Stratton, Salem; vice president, E. J. Bailey, Winona; secretary, Mrs. E. Y. Gamble, Salem; members of the executive committee, E. M. Steer, Damascus, and R. G. Grimes, Alliance. The selection of the time and place for the next reunion was left to the executive committee.

Strictness Is Needed

THE case of the theft of an automobile by several boys living in this city, their capture and holding for court emphasizes the need of the strictest enforcement of the law against certain kinds of offenders. Within the last year or two the country has been appalled at the prevalence of crime of various kinds of banditry, most of which have been committed by mere youths, many of them not yet near the close of their 'teens. So widespread has crime become among these youthful offenders that it is said the "old, hardened criminal" is about out of business, his place in our police courts and prisons being taken by the youthful law breaker.

Causes and cures, if any, for this modern outbreak of adolescent criminality are being studied, and as a result some better conditions may in time prevail, but what society needs just at present, for its own protection and for the possible saving of many young men from a career of wrong-doing, prison and in some cases the electric chair, is a stern and relentless enforcement of the laws provided for the punishment of crimes such as of late have become epidemic.

Judging from the actions of youths caught in criminal acts, they glory in the "heroism" which their escapades bring to them. In addition to this, unfortunately, administration of law has far too often been turned into a mere farce, so that the young criminals boast of the ease with which they can "get away" with almost any sort of plot they may hatch up.

In many instances persons who suffer at the hands of young marauders, moved by a mistaken sense of the irresponsibility of youth, do not bring charges against them. Law officers are far too apt to exercise a lenience which may be meant kindly but which is far from real kindness to the lads who have done wrong.

There is needed today a tightening up all along the line in the matter of bringing law breakers to realize that they have done wrong, that they have offended society, and that they must suffer for what they have done. One of the potent causes for the steady growth of banditry among us is found in the fact that criminally inclined youths have good reason to laugh at the law, it is so feebly and inefficiently enforced. By far the kindest thing that society can do for boys who go wrong is to make them understand what punishment means, not a resentful and cruel treatment, but a stern administration of that old principle that the way of the transgressor is hard.

War On Radicalism

THE new commissioner of education, J. J. Tigert, is opening a war on all forms of radicalism which aim to overturn the established order of society by doing away with the right of private property or the denial of the right of genius to its proper place in the social system along with the merely physical labor of the hands. Commissioner Tigert is planning to appeal to the people against the insidious dangers of such propaganda as is being put on by Bolshevism, Communism and Socialism. He will enlist the motion picture screen as one of the ways by which he hopes to carry to the popular mind his message that no lasting social order can be set up which does not recognize the right of private property. Other plans of various kinds have been tried in many ages and countries, but they all have failed, the most notable of these being that in Russia, where the soviet ideals have just been admitted even by Lenine as having proved unworkable. The right of private property is one which must be guarded against abuse, but it is the basic rock on which society must build.

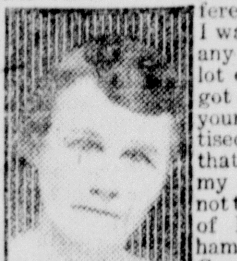
WOMEN WHO CANNOT WORK

Read Mrs. Corley's Letter and Benefit by Her Experience



Edmund, S.C.—"I was run down with nervousness and female trouble and suffered every month. I was not able to do any work and tried a lot of medicine, but got no relief. I saw your medicine advertised in a little book that was thrown in my door, and I had not taken two bottles of Lydia E. Pinkham's Vegetable Compound before I could see it was helping me. I am keeping house now and am able to do all of my work. I cannot say enough for your medicine. It has done more for me than any doctor. I have not paper enough to tell you how much it has done for me and for my friends. You may print this letter if you wish."—ELIZABETH C. CORLEY, care of A. P. Corley, Edmund, S. C.

Ability to stand the strain of work is the privilege of the strong and healthy, but how our hearts ache for the weak and sickly women struggling with their daily rounds of household duties, with backaches, headaches, nervousness and almost every movement brings a new pain. Why will not the mass of letters from women all over this country, which we have been publishing, convince such women that Lydia E. Pinkham's Vegetable Compound will help them just as surely as it did Mrs. Corley?

Kidney and Bladder Troubles Have To Go

Clogged up Kidney Deposits Are Dissolved and the Toxine (Poisons) Completely Driven Out. Druggists Told to Guarantee it in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys so whatever you do don't neglect them."

Dr. Carey's famous prescription No. 777 known as Marshroot is not recommended for everything, but we cannot too strongly urge its use if you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment or highly colored urine, bloating, irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel, for kidney disease in its worst form may be stealing upon you.

Don't wait until tomorrow to begin the use of this wonderful prescription if you have any of the above symptoms, Kidney and Bladder troubles don't wear away. They will grow upon you slowly, stealthily and with unfailing certainty.

Never mind the failures of the past if you even suspect that you are subject to Kidney Disease, don't lose a single day for the J. H. Lease Drug Co., Floding's Pharmacy, and Bolger & French and every good druggist has been authorized to return the purchase money on the first two bottles to all who state they have received no benefit.

BUCYRUS TO ENTERTAIN OHIO G. A. R. IN 1922

Greenville, July 16—Bucyrus was chosen by the state officers of the G. A. R. department of Ohio Wednesday afternoon as the meeting place for the 1922 state encampment. Selection of this city was unanimous.

The state encampment will close Thursday afternoon with the election of officers of the state department and five Civil war organizations meeting in conjunction with the G. A. R.

According to reports M. J. Sloan, Warren, has the inside track for the office of state commander. Mrs. Grace L. Johnson of Toledo was elected state head of the women's relief corps.

Various receptions for the auxiliary organizations of the G. A. R. were held last night, at the St. Clair memorial hall where the G. A. R. is holding its annual camp fire meeting. Simeon D. Fess of Yellow Springs, congressman from the seventh district and James J. Johnson, Springfield supreme court judge were the speakers.

FILTRATION PLANT ISSUE FOR VOTERS

Sebring, June 16—City council has decided to ask the people of Sebring to vote upon a proposed bond issue of $84,000 for the improvement of the water system by the building of a filtration plant. The resolution had the third reading at the council meeting declaring it necessary to build a filtration plant, and declaring a bond issue necessary to supply the funds.

GAINS 22 POUNDS IN WEIGHT

Remarkable Gain by J. D. Douglas Proof of Wonderful Powers of Nerv-Worth as Strengthener and Builder.

"I weighed only 128 pounds after recovering from the 'flu' last year," said J. D. Douglas, Canonsburg pike, Ashland. I had no appetite, and was very weak. My wife induced me to try Nerv-Worth, which I did, and the first bottle helped me so much that I bought another, and during this time I gained 22 pounds. I can cheerfully recommend Nerv-Worth to any one." There's an example of an actual case, and shows the wonderful strengthening powers of Nerv-Worth, and how quickly it gives results. Everybody needs a tonic in the fall, and the tonic you take should be one that will strengthen you and build you quickly. Nerv-Worth has been for many years one of the most successful preparations of its kind. It is not an experiment, but a time-tested remedy, and that is what you want. Sold by all first-class druggists everywhere.

Already this summer volumes have been printed on how to economize in buying clothes.

Today we're at it again—trying to make new men see that the real knack of purchasing lies in buying right in the first place—at the right place.

You can't find satisfaction where the profits are too high—nor can you do yourself justice where the qualities are too low.

If you agree we're right up to here—then won't you please grant us the opportunity of showing you that it is here you judgment says your clothing needs belong.

Prest-O-Lite STORAGE BATTERY

Prest-O-Lite

No S-O-S with P-O-L

THERE was once a Trawler that Coaled for a Normal Trip. But there came the Northwest Gale. And the ship exhausted her Bunker Coal in the Fight to Reach Port. And the Crew did burn Everything but the Hull to Keep up Steam!

There are motorists whose battery has apparently enough power for the trip. But they pull that power down with too many stops and starts to the mile. And when they need just one more start to reach "port", the battery gives up the ghost.

The Prest-O-Lite Battery uses less than one four-hundredth of its power-reserve for a single start—and the generator quickly replaces that.

Saving Is Constructive

Saving something out of what you earn means a stronger resolution, future comfort, permanent satisfaction, happiness for the wife and the children, proper training and education for the children, success for self, and independence in old age—all these are governed by the habit of saving or of spending. A man's habits in handling his income affect his life and the welfare of his family, both now and for the future; his children are served or compelled to suffer because of these habits.

Start a constructive system of saving today—one dollar is all you need.

For those who find it hard to save, we have these Liberty Bell Home Banks—where you can deposit your small change at any time.

A Musical Education
IS WITHIN THE REACH OF ALL

No. 90, $125

You may never learn to play but you can learn to know good music. To know good music is like knowing good books—it is part of a good education.

A VICTROLA AND VICTOR RECORDS will bring this knowledge into your home. Victor Records are made by the world's best artists.

The Victrola is the only machine that reproduces these correctly.

When you hear a VICTOR RECORD on a VICTOR MACHINE you hear the exact reproduction of the voice or instrument as it was produced by the artist.

Allow us to demonstrate this fact.

Crow's Feet, Wrinkles, Enlarged Pores

Delightful New Vanishing Cream Containing True Buttermilk Must Quickly Show a Decided Improvement or Money Back

The first application of Howard's Buttermilk Cream will astonish you. The dullest, most lifeless complexion is turned to radiant beauty and red or rough hands or arms made snowy white, yet there is not the slightest sign of its use. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

No matter whether you are troubled with a poor complexion, wrinkles, puffiness around the eyes, crow's feet or lines around mouth, or just a simple roughness of the face, hands or arms caused by wind or sun, you will find that these troubles will quickly disappear with the use of Howard's Buttermilk Cream.

To prove this to your complete satisfaction, get a package today at any first class drug or toilet goods counter. Insist on Howard's Buttermilk Cream, no other cream can take its place. If you cannot obtain, send 10 cents silver or stamps for generous trial package of Cream and Soap to Howard Bros. Company, 457 Washington street, Buffalo, N. Y. J. H. Lease Drug Co., Frank Floding or Bolger & French can supply you.

An Easy Way For Thin People to Put On Flesh and Gain Weight

Strong, Straightforward Advice to Thin, Undeveloped Men and Women

If you are thin, scrawny and undeveloped, if your face is peaked and your cheeks and neck exhibit unsightly hollows, it's almost certain that your nervous system is at the bottom of the trouble. You can eat three, yes four, substantial, fat producing meals a day but as long as your stomach has an insufficient supply of nerve force this food you eat will pass out of the body with little if any benefit.

In order to assimilate properly the nourishing food you eat and convert it into healthy tissue and fat the nerves that control the process of digestion and assimilation must be put in firstclass shape and until that is done you might just as well quit trying to put on flesh. Your system is starving for something that will turn the food you eat into healthy stay there flesh and it can only be done in one way—by correcting faulty nervous digestion.

Thin, nervous, run-down people, however, with impoverished blood and half starved looks are hailing with delight a quick and certain maker of solid flesh called EVANS' TRIPLE PHOSPHATES that is unequalled for repairing faulty digestion and correcting nervous digestive troubles. In fact the makers of Evans' Triple Phosphates guarantee that one month's treatment will increase your weight by several pounds and within ten days make you feel like a new being, full of ambition, vigor and a desire to accomplish things. Bennett Drug Co., J. H. Lease Drug Co., Floding's Pharmacy, Bolger & French and leading druggists everywhere have agreed to supply Evans' Triple Phosphates and guarantee it to do just what is claimed for it or money refunded.

Caution: While Evans' Triple Phosphates accomplishes wonders in nervous digestive troubles and as a general nerve tonic, it should not be taken by anyone who objects to a few additional pounds of solid stay there flesh.

INGROWN TOE NAIL TURNS OUT ITSELF

A few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night.

"Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.

PHILLIPS DIAMONDS INVOLVED IN CASE SETTLED THURSDAY

Three diamonds, one a three carat, one two carat and one three-fourths of a carat, were involved in a case called for trial in Judge Moore's court, growing out of the estate of the late County Commissioner Albert Phillips of Salem which was later dismissed by the court when some agreement was made between the parties to the suit as to the disposition of the valuable stones.

Judge J. C. Boone, administrator of the estate of former County Commissioner Phillips, sued Attorney J. E. Rogers, administrator of the estate of the late Lewis Phillips, for possesof the diamonds which had come into the hands of Lewis Phillips, when he was administering the estate of his rother, Albert.

Attorney Rogers found the diamonds in the estate of the brother of the late commissioner and when demand was made for them by the brother's estate, he refused to surrender them. Relatives were there from Philadelphia for the trial of the case.

SEBRING MAN FOILS ATTEMPT OF BANDITS

Sebring, June 16.—Mr. and Mrs. E. M. Stanley of Sebring and Mr. and Mrs. W. C. Brown of Alliance had a thrilling experience Monday afternoon about 1:30 while returning from Zanesville where they spent the week end with Mrs. Brown's sister. When about 12 miles south of New Philadelphia they noticed two autos approaching, about 40 rods distant. In the first car were three men on the front seat. The second car had only the driver. A bridge was between Mr. Stanley and party and the approaching autos. As he neared one of the autos one man beckoned Mr. Stanley to stop his car, at the same time drawing from his pocket a gun and shouting, "Stop, hands up" Stanley put on all the juice and shot ahead The second approaching auto rushed to block the passage of the bridge but the Stanley auto wormed its way across the bridge and like an arrow shot for the unobstructed road beyond. Two shots were fired by the bandits.

Rheumatism Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours

Every druggist in this county is authorized to say to every rheumatic sufferer that if two bottles of Allen rhu, the sure conquerer of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Mr. James H. Allen, the discoverer of Allenrhu, who for many years suffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed The J. H. Lease Drug Co., Floding's Pharmacy and Bolger & French to guarantee it in every instance.

SALEM TOWNSHIP COAL LEASE CASE DISMISSED

Lisbon, June 16.—After all of the evidence on both sides had been submitted to the court in the case of J. C. Horton, Salem township farmer, against Pasqualina Giovanni, coal operator, the court dismissed the case, without prejudice to the filing of a new action, this move being made on motion of the plaintiff. Giovanni at the same time moved the court to submit the matter to the jury which had heard evidence, but this motion was refused.

Horton owns a farm on the Lisbon-Salem road in Salem township, and Giovanni holds a lease on the coal underlying a part of the land, given him in 1918 by N. N. Albright, the former owner of the farm. Horton claims that he has driven the entiries of his mines outside the boundaries of his lease underneath the farm, and has removed coal the value of which is $5,000 for which amount he asks judgment, along with $92 which he owes in royalties.

Giovanni admits owing the amount for royalties, but denies the value of the coal mined from underneath the farm outside the boundaries of the lease.

A Problem--

If a new pair of shoes cost $8.00 and wear 90 days, and can be repaired for $2.00 so as to wear 90 days more, how much does the wearer save by having the shoes repaired?

THE ANSWER

$8.00 divided by 90 equals cost of new shoes per day .... 8 8-9 cents
$2.00 divided by 90 equals cost of repaired shoes per day .... 2 2-9 cents

Saved per day on repaired shoes .... 6 2-3 cents
90 times .06 2-3 cents equals amount saved on repaired shoes $6.00
Plus the comfort.

"Re-Tire With Vacuum Cup Tires"

Vacuum Cup Tires have always been top notch in the Tire World and they are better today than they ever were and cheaper by far.

You can cut your tire bills in half by becoming a Vacuum Cup booster and user. If you have owned a car for any length of time you no doubt have had unpleasant experiences with bad tires. We do not claim anything unreasonable in Vacuum Cup Tires and like everything else, a bad one will crop out once in a great while, even under the most rigid inspection of expert tire men. They slip by without detection but when they do we take care of you right here and there is no delay or unpleasant arguments.

Catarrhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.

RAY WILL FIGHT WARD AT YOUNGSTOWN ARENA

Johnny Ray, Pittsburgs' premier lightweight, will be the next fistic laminary to appear at Youngstows, being matched against Bobby Ward of St. Paul on the evening of June 21, at Idora park.

Ray, while always considered one of the best mitt wielders in the lightweight ranks, jumped into the limelight by decisively defeating Johnny Dundee and several other battlers regarded as the best in the division and is now matched against George Chaney, the kayo artist.

Ward is considered one of the cleverest lightweights that has appeared in a Youngstown ring for several years and has never failed to show to an advantage in the Steel City.

Cured His Piles

Now 88 Years Old But Works At Trade of Blacksmith and Feels Younger Since Piles Are Gone.

The oldest active blacksmith in Michigan is still pounding his anvil in the town of Homer—thanks to my internal method for treating piles.

Mr. Jacob Lyon, Homer, Mich.

I wish that you could hear him tell of his many experiences with ointments, salves, dilators, etc., before he tried my method. Here is a letter just received from him:

Mr. E. R. Page, Marshall, Mich.

Dear Sir: I want you to know what your treatment has done for me. I had suffered with piles for many years and used suppositories and all kinds of treatments, but never got relief until I tried yours. Am now completely cured. Although I am 88 years old, and the oldest active blacksmith in Michigan, I feel years younger since the piles have left me. I will surely recommend it to all I know who suffer this way. You can use my letter any way you wish and I hope it will lead others to try this wonderful remedy.

Yours truly,
J. L. LYON.

There are thousands of afflicted people suffering with piles who have never yet tried the one sensible way of treating them.

Don't be cut. Don't waste money on foolish salves, ointments, dilators, etc., but send today for a Free Trial of my internal method for the healing of Piles.

No matter whether your case is of long standing or recent development—whether it is occasional or permanent—you should send for this free trial treatment.

No matter where you live—no matter what your age or occupation—if you are troubled with piles, my method will relieve you promptly.

This liberal offer of free treatment is too important for you to neglect a single day. Write now. Send no money. Simply mail the coupon—but do this now—TODAY.

Kills Pesky Bed Bugs P. D. Q.

Just think, a 35c box of P. D. Q. (Pesky Devils Quietus), makes a quart, enough to kill a million bedbugs, roaches, fleas or cooties and stops future generations by killing the eggs and does not injure the clothing.

Liquid fire to the bedbugs is what P. D. Q. is like, bedbugs stand as good chance as a snowball in a justly famed heat resort. Patent spout free in every package of P. D. Q. to enable you to kill them and their egg nests in the cracks.

Look for the devil's head on every box then you'll have what Hospitals have found to be the best insecticide known to science. Special Hospital size $2.50 makes five gallons—contains 3 spouts—either size at your druggist or sent prepaid upon receipt of price by the Owl Chemical Co., Terre Haute, Ind. Genuine P. D. Q. is never peddled.

Sold by J. H. Lease Drug Co., Floding's Drug Co., and other leading druggists.

STOCKS

TONE IS STRONGER

New York, June 16.—A number of favorable developments over night led to a stronger tone in the stock market in the early trading today.

Mexican Petroleum was one of the chief features, advancing three points to 117, on the official statement declaring the report that the Mexican oil fields were going dry to be without foundation.

Northern Pacific advanced 1½ to 68 on the declaration of the regular dividend. Baldwin rose one point to 73¾. Atlantic Gulf rose ¾ to 23 and U. S. Steel gained ⅜ to 75¾.

Pan American Petroleum made an opening of three points at 50, followed by a reaction to 49. The sugar stocks shared in the improvement to a moderate extent. American Sugar advanced 1¾ to 69¼. The steel industrials made substantial gains, Studebaker started with a gain of 1¾ to 77, but after selling at 77⅛, reacted to 76⅜ and later rallied again to 77½.

GRAIN MARKET

CINCINNATI MAN NAMED HEAD OF STATE EAGLES

Steubenville, June 16.—Delegates attending the eighteenth annual convention of Ohio Eagles here elected the following officers for the ensuing year:

President, Samuel W. Bell, Cincinnati; vice president, Henry Berrodin, Akron; secretary, Ed. L. Hyneman, Columbus; treasurer, H. L. Birkehauer, Toledo; trustee, Henry Feitchmeir, Cleveland; conductor, F. O. Bromley, Fostoria; inside guard, Charles Schrichte, Hamilton; outside guard, John Carpenter, Elyria.

The convention recommended a referendum vote of state aeries on the building of an orphan's home and recommended to the grand aerie that women's auxiliaries be organized through subordinate aeries, but without state or national rights and that the society known as "Grand Eagles" not be recognized.

A resolution expressing sympathy for Ireland and the Irish republic was adopted.

BIG ULCER ALL HEALED

"Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars.

"Money isn't everything in this world. There is many a big-hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's Ointment, to sell at all druggists for 60 cents a large box."

Dear Sirs:—

"I was an untold sufferer from old running sores and ulcers. I had tried most everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me before in years, and after using just nine dollars' worth of the salve I am cured. The ulcer was 9 inches by 6½ inches, is all healed and I can walk. Never, never will I be without Peterson's again.

"You may use this to recommend your ointment, if you wish. I cannot say enough to praise it." Yours truly, Mrs. Albert Southcott, Medina, N. Y. Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.
